R1.4

are) who witnessed the event, unless the licensee has been unable to obtain that information after making reasonable effort;

action taken by the licensee in relation to the event, including any follow-up contact with any complainants;

details of any measure taken or proposed to be taken to prevent or mitigate against a recurrence of such an

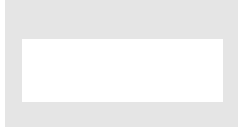

event; and

any other relevant matters. If the licensee receives a written request for further details in relation to any of the above matters if it is not satisfied with the report provided by the licensee. The licensee must provide such further details to the EPA within the time specified in the request.
